AuroraTech
CORPORATION
ALWAYS AHEAD

AURORATECH

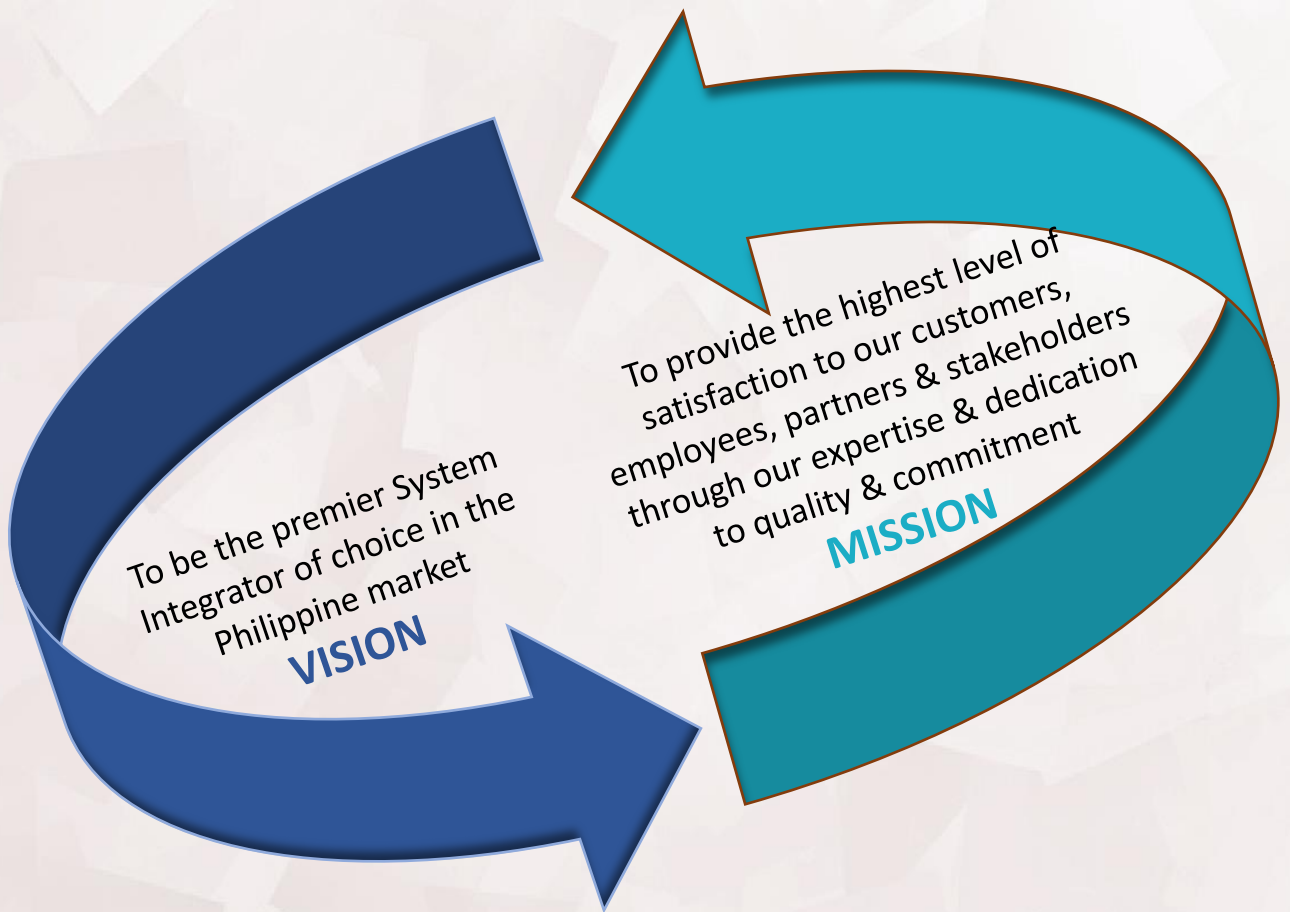

Since November 2014, AuroraTech Corporation has been a “ *Control System Full Service provider*” offering onsite and offsite works. We are also a certified company with high regard for effective and efficient customer service and are known for our ability to deliver complex customized solutions to our end customers.

AuroraTech Corporation (ATC) is the preferred full-service provider in the Philippines for System Integration and Network Design, Control System Upgrade, Automation and Electrical System Installation

ATC is proud of its strong client focus, highly competent technical people and solid business partnerships. We are dynamic, responsive and attuned to the changing needs of the industry we operate in.

Our passion for excellence, innovation and quality, along with years of experience will assure our customers of the outstanding value they would benefit from when they choose to work with us.

OUR VISION

AuroraTech Corporation strives to be the leading Industrial Solutions provider through innovation and modern technology with advanced software, superior engineering capabilities and world-class quality products

OUR MISSION

Customers

We are committed to provide the best-value products and quality services that will ensure optimum benefit and profitability for our customers.

Employees

We inspire and develop our employees to maximize their potential and improve their quality of life; provide a safe and healthy work environment that supports creativity, enjoyable and profitable for all.

Supply Partners

Together with our suppliers, we find and develop the best value-products and services, technologically superior, best-in-class and quality-certified products to support our customers.

Stakeholders and Shareholders

We maximize long-term return for stakeholders while being mindful of the welfare of the local community and the sustainability of the environment in which we operate.

To accomplish our mission and realize our vision, our values guide us...

Trust Competence Innovation
Teamwork Respect Excellence
CORE VALUES
Discipline Commitment Integrity
